Personal Jewelry Insurance Application

Overview of Rates, Rules and Premiums for Coverage

1. Annual Premium Rates

The total annual premium is based on the retail value for each item of jewelry insured. The rate is based on the residence location of the person possessing the jewelry.

2. Inspections

We recommend periodic inspections of your insured jewelry. An inspection could uncover necessary repairs, helps you maintain adequate insurance coverage, and is a great opportunity to have your jewelry professionally cleaned.

3. Eligibility

- A. Only people living in the United States or Canada (excluding Quebec) are eligible for our personal jewelry insurance.
- B. Insurance is not available for loose stones not being set, damaged jewelry and watches, and non-jewelry items.

4. Coverage

Please read your policy carefully when you receive it. If you are dissatisfied with the coverage, please return the policy to us within 30 days, with a written cancellation request signed by all named insureds, and your premium will be refunded.

For California residents, your return premium will be calculated on a pro rata basis.

5. Questions and Comments

Your jeweler is not an agent of Jewelers Mutual Insurance Company and does not sell or recommend insurance. Please direct all questions and comments about insurance to Jewelers Mutual's Personal Insurance Department.
